HIBITED BY LAW. REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. In the summer of 1954, special doors and safety devices were fitted in the basement of the headquarters building below Lieutenant General Hoffmann's office. All documents for the Ruegen Harbor project were stored, without exception, in that room in the basement of the headquarters building. 25X1
2. It is believed that the Ruegen Harbor project was only postponed and was scheduled to be resumed at a later date. [redacted] in 1954 the investment funds of the Interior Ministry provided for a total of 120,000,000 eastmarks for the eventual resumption of work on the Ruegen Harbor project out of the grand total of 600,000,000 eastmarks. It is believed that a corresponding sum was also provisionally included in the 1955 plan. 25X1
